<p>Notes</p>	<ul style="list-style-type: none"> • To align to the SCFF definition for completion, the student has to be enrolled in the selected year at any college in the district. • Students who have earned multiple awards in the same year are counted once and deduplicated • Does not include local awards. Therefore, the code "E" which was defined in 2017-18 as "Certificate requiring 6 to fewer than 18 semester units (not approved by Chancellor's Office)" for SP02 is not included • For attainment of apprenticeship journey status, unlike attainment of an award, the student does NOT need to be enrolled in the selected year in the district in the year in which they attained apprenticeship journey status but needs to be enrolled at any college in the selected year when they started the apprenticeship program.
